

FIRST DAY OF THE COUNTY ACT

A MIDNIGHT JUBILATION

INTERESTING SCENES AT THE CAPITOL BUILDING MARK THE TRANSFER OF THE GOVERNMENT OF THE COUNTY OF OAHU FROM THE TERRITORY—THE TERRITORIAL BAND PLAYS DIRGE FOR ITSELF AND THEN RISES FROM THE DEAD.

This is the first day under the County Act. The transfer of jurisdiction from Territory to County was made without a hitch. The most important change was in the police department. Sheriff Brown has made no changes yet, though Captain Parker has surrendered his badge and patrol box keys. No new appointments have been announced. Henry Vida will be appointed an assistant to the sheriff. At the other end of town, about the only difference marked, was that Sam Johnson went on doing the same work he has been doing, but under a lot of new titles. The Board of Supervisors meet at 2 o'clock this afternoon to finish up any business that was not done last night. The various county officers were on duty in their respective offices. But there was little outward and visible sign of any inward or material change.

THE CIVICS IN A ROW

CHARGES OF CORRUPT METHODS IN RECENT CAMPAIGN LIKELY TO LEAD TO SOME LIVELY DISCUSSIONS IN THE PURITY ASSOCIATION—A BRIBE OFFERED TO JAMES H. BOYD FOR HIS INFLUENCE FOR HENRY.

There is a prospect of war in the Civic Federation, over the charge, of all charges to be brought against such an organization, that corrupt methods were used by the federation's campaigners in the county election. The proposition has even gone as far as talk of a movement to call for the removal of President Castle, on account of a report that he had offered Jimmy Boyd a job for his influence in favor of Henry, but Castle is as a matter of fact personally innocent of making the proposition.

Acting Governor Atkinson, who is a member of the Civic Federation, brought the proposition to the attention of Theodore Richards this morning, and there was a very interesting

conversation about it. Atkinson said that it had been reported to him that the offer had been made to Boyd that if he would support Henry he would be given a job on the police force if Henry was elected and if Henry lost he would be given a position in Oahu jail, as Henry would still be the warden. "Do you stand for those methods?" said the acting governor to Theodore Richards. "I for one do not, and the Civic Federation cannot stand for anything of the sort. It is offering a man a bribe for his political influence. It is one of the most corrupt things I have ever heard of in local politics."

PARKER RETIRES

VETERAN SENIOR POLICE CAPTAIN LEFT FORCE THIS MORNING—WAS NOT DISMISSED.

The police station was the scene of special interest this morning. Only one thing which might be termed "exciting" occurred and this was in the case of Captain Parker. He announced that he had tendered his resignation and would leave the police force after nearly fifteen years of service. The situation was rather a peculiar one however. The report got around that A. M. Brown, the new County Sheriff had discharged Parker on account of the latter's killing of him for Henry during the last campaign. This report was denied by Brown however.

"I did not discharge Parker," said Sheriff Brown this morning, "nor did I call for his resignation. There has been some friction between Parker and Sam Leslie who was formerly lieutenant of mounted police. I informed Parker that Leslie was to be appointed to the force again subject to the approval of the Board of Supervisors, and Parker replied that he guessed that he, Parker, had better leave the force. Parker perhaps did not like the way that I spoke to him in reference to the appointment of Leslie. I told Parker that he had better reconsider the matter and he is to see me tomorrow regarding the matter. I understand, however that he is turning over everything that he held belonging to the government, and seems disposed to leave the force."

"It is not my intention to make any immediate changes. Whatever dismissals or appointments I make, will be made with the approval of the Board of Supervisors. It is my intention to work in the utmost harmony with the Board. It is likely that I will recommend a reduction rather than an increase in the force. I especially favor reducing the number of specials. No particular changes in the detail of the watches seem to be necessary, as High Sheriff Henry did not make many changes when he took charge of the department upon my retirement last year. I will appoint subject of course to the approval of the Board of Supervisors, Henry Vida as a sort of assistant deputy sheriff, but without such title. The new deputy sheriff, Jack

SAM JOHNSON AT WORK EARLY

THE HEAD OF FOUR DEPARTMENTS HAS THEM ALL RUNNING UNDER COUNTY ACT.

At half past five o'clock this morning county Road Supervisor Sam Johnson started the road bureau of the county of Oahu in its work. At eight o'clock Territorial Road Superintendent Sam Johnson was in his office looking after the work of the gangs of men who are on government roads on Oahu. Then County Superintendent of Garbage Sam Johnson had a conference with Territorial Superintendent of Sewers Sam Johnson, as to the relations between the two bureaus. All was arranged amicably and the work of the territorial road, garbage, county road and sewer departments proceeded today as smoothly as if no change had occurred. This afternoon, by way of putting a climax on a strenuous day, Johnson is accepting an invitation to a luau given by a lot of men he had to discharge from the road department, appropriations having expired with the end of the half-year.

The appointment of Johnson as county road supervisor and superintendent of garbage saves the county of Oahu over \$600 a month, and at the same time it prevents possible trouble between the county and Territorial road supervisors, if there should be two such officers each attempting to get along with the same material. The county has the use of the office force and organization as it exists in Johnson's office, instead of having to pay a new officer full salary and to provide him with an office and clerical force.

Kalakiela, will be busy with office work and the service of papers, so he will not have much time for outside work. I have, as I say, made no changes. In fact the commissions are to be made out this afternoon and the force is simply acting under the resolutions passed by the Supervisors yesterday."

COOPER FOR GOVERNOR

TONIGHT'S MEETING OF THE REPUBLICAN TERRITORIAL CENTRAL COMMITTEE IS FRAUGHT WITH A GREAT DEAL OF INTEREST—THURSTON-CASTLE WING TRYING TO GET ENDORSATION OF FRANK McSTOCKER FOR THE GOVERNORSHIP.

What will the Republican Territorial Central Committee do at its meeting tonight? The question is an important one but the average voter, sated as he is with the recent elections and the still more recent installations, seems to be in a listless sort of a mood over the whole affair. But it is tonight that the Central Committee will decide upon whom it will endorse for the governorship.

That there will be no washing of dirty linen seems assured. Some time before Chairman Robertson rang his gavel for order the members of the committee will get together on the outside and arrange upon some scheme upon which the whole committee can agree.

The friends of the administration will do their best to have a resolution

passed to ask Governor Carter to withdraw his resignation but a very determined opposition will be presented by the section that objects to the course taken by the Governor during the recent election.

In this event the opinion generally entertained is that the warring elements may and probably will come together on Henry E. Cooper and present an unbroken front in endorsing his name for the Governorship.

Cooper is not acceptable to the branch headed by Thurston and J. B. Castle and they were credited today with making a desperate effort to swing the committee over to Frank B. McStocker. They have apparently abandoned Carter altogether.

Tonight's meeting will be held in the Republican rooms at 7:30.

MOANA BAR TO BE CLOSED SUNDAYS

DURING THE ADMINISTRATION OF HI HENRY IT WAS ONE OF THE FAVORED BARS THAT WAS ALLOWED TO KEEP OPEN ON SUNDAYS—IT DID A BIG BUSINESS AT TWO BITS A DRINK.

Tomorrow will be a sad day among the thirsty souls of the community for the Moana Hotel bar at the beach is to be closed.

When the enterprising Hatter descended like a wolf on the fold and the good people who knew all along that other people had drinks on Sunday were properly shocked when told about it, the flat went forth that Sunday was to be a day of great thirst. Sheriff Hi Henry was in command and the places at which those thirsted were wont to regale themselves were shut up tight. That is Hi Henry said they were and, sure, he ought to have known.

They were all closed—excepting the Moana hotel at Waikiki. The Moana

is a fine hotel and it is owned and operated by Alexander Young and his associates, but its retail liquor department has been doing a land office business every Sunday in defiance to all law and it must have been an additional solace to the lacerated feelings of the owners to reflect that the Moana charges 25 cents for its drinks when other gin mills sell them at two for a quarter.

That most, if not all of the downtown bars closed on Sundays even as Hi Henry said they did has been best evidenced by the fact that this beach-side saloon has been the favorite resort for most of the liquor dispensers
